SUMMER ART PROGRAMS

taught by Ms. Shoukimas

Me, Myself and I: Creating Self Portraits

July 10-July 14 from 9:15am - 2:15pm

You call that a selfie? In this week long session, campers will explore ways of creating self portraits which illustrate their own experiences, dreams, and interests through in introduction to various contemporary artists and a variety of media and techniques. We'll spend time in the art studio as well as outside and will have plenty of opportunities to recharge our creative brain through play and group games. Bring your sunscreen and leave the selfie stick at home!

Sun, Bugs, Moose & More: Exploring Through Art

July 31 - August 4 from 9:15am - 2:15pm

Mother Nature is the inspiration in this week long exploration of nature in art and the art found in nature! Students will look at the work of contemporary artists who are inspired by our natural world, as well as venture into the woods, gardens and fields around us to find inspiration for our art. Using a variety of media, as well as natural materials, campers will create art works which honor and illustrate the beauty of summer in Maine!

Special Thanks to the Students and Parents for a wonderful Spring Concert!
