Freeport High School Transition Activities

January 23rd @ 6:00 P.M. Informational Session

All 8th grade students and their parents are invited to an evening informational session at FHS. The goal of this informational evening is to introduce our staff members, discuss academic expectations, inform students and parents about registering for high school classes, and demonstrate what the next four years should look like at Freeport High School.

January 30 and February 1 9:15-11:15am

8th grade tour and informational session at Freeport High School

All 8th grade students will attend a tour and informational session at FHS. Students will be bussed over from DCS

You will be notified which day your child will be attending this activity.

Study Support

Study support is available for grades 6, 7, & 8.

This is a great opportunity to get extra help with classwork or homework, get caught up if you have missed school, or have a quiet place to work.

*Mondays through Fridays 8:00 - 8:30am

JUMP INTO THE FUTURE

We are very excited to announce that we will be bringing Mad Science to Mast Landing this month, after it has been so successful at Morse Street and Durham. Our next class is "Jump Into the Future," which examines all sorts of technology including renewable energy, robotics and programming. This program now runs for 8 weeks per session instead of 6 as it has in the past.

(see flyer on page 4 of newsletter)

https://apm.activecommunities.com/rsu5rce/Activity_Search?txtActivitySearch=mad%20science

DANCE THE NIGHT AWAY

We also have three sessions of dance starting up this month. Spinning Sprouts and Hippiity Hop return to Morse Street and Hip Hop Dance comes to Mast Landing. Each class includes 5 hours of dance and instruction, including a parent showcase.

https://apm.activecommunities.com/rsu5rce/Activity_Search?txtActivitySearch=dance

ANNUAL STARLIGHT COTILLION

Also, the 29th Annual Starlight Cotillion Father/Daughter Dance will be held at the Harraseeket Inn on February 19th. Tickets are available at the Community Programs office.

MIND, BODY and SLOPES

Tae Kwon Do, Chess and Clay, Clay, Clay! also return, and there is still room in our Mt. Abram Ski Program, which was postponed to begin on January 14th!

Get ready for...

the 3rd and 4th Grade 2018 Concert!

Tuesday, March 13th, 2018 6:30pm at DCS Gymnasium

Join us for an amazing evening of music performance! Each class will be featured with movement or instruments.

Students should arrive at school no earlier than 6:15pm and report to classrooms.

Email Ms. McCarthy at mccarthyh@rsu5.org with any questions!

Got Baby Pictures?

Attention 8th Grade Parents:

The Yearbook staff is collecting baby pictures for the Yearbook (Please note, we only need one copy). If you have a digital copy, please email it to: kimber1572@gmail.com and if you have a photo that needs to be scanned, just drop off the photo at the office and make sure that the students name is included with the photo. We will return it to you as soon as we have scanned the image and uploaded it to the publication.

Thank You

Calling all creators, innovators, and future explorers... it's time to Jump Into the Future after school! Embark upon a quest for alternative energy and experiment with solar power and fuel cells. Explore the planet's atmosphere and make a meteorological station. Learn about robots as you laugh hysterically at an animated automaton. Hop on board the chemistry express and perform split-second chemical reactions that go like mad. Get charged up about current electricity by building circuits. Conduct hair raising experiments and watch flying saucers skyrocket from our Van De Graff Generator! Wire your brain by creating a real telephone network to talk to your classmates. Experiment with lasers and learn the principles of radar technology. We don't just look to the future in this program, but blast off into the 21st century by inspiring you to be the one to create it!

Dates: January 23–March 22 (no program 2/20-2/22)

Location: Art Rooms

Fee: \$105 (8 weeks!)

	Time	Course #
NEW Mast Landing School (3-5)	3:25–4:25	F17-170
Durham Community School (K-5)	3:20–4:20	F17-146
