In Person: 17 West St, Freeport (Central Office)

Registration is about to close for RSU5 Community Program's Recreational Basketball league for children in grades 3-6. Please sign up by 11/18 to guarantee a spot on a team. Play starts on Dec. 3 and continues through Feb. 4. Our 5/6 league will be co-ed, while the 3/4 league is separated between boys and girls.

Through practice, clinics and games, this in-house league provides and promotes a safe, recreational basketball program for youth in grades 3-6 throughout RSU5. Focus on good sportsmanship, developing strong playing skills, and promoting friendly relationships among the players, coaches, referees and parents. Our main objective is to promote sportsmanship, integrity, and fairness. Teams will practice once during the week in the evening. A game schedule will be distributed at your team's first practice. Unfortunately we cannot honor all team/coach requests.

RSU5 Unity and Pride Survey

The purpose of the Unity and Pride Project of the RSU5 Board of Director's Strategic Communications Committee is to create pride, unity, engagement, excitement and a sense of belonging in our school district. With the ongoing current physical renovations taking place at Freeport High School, the RSU5 Board believes this is the opportune time to explore the possible renaming of Freeport High School.

To obtain input from all stakeholders, the RSU5 Board's Strategic Communications Committee has created a Unity and Pride Survey. Parents, community members, students, and staff will all be given the opportunity to weigh in and provide feedback on the renaming. Additionally, the Board is seeking input about the following:

- Celebration of RSU5's achievements;
- RSU5 distinguishing itself from other area districts; and
- RSU5's investment in future programming.

Please take the time to complete the survey so your voice will be heard. The Board will examine the results and make a final determination on whether to change the name or have it remain Freeport High School. To access the survey, please visit www.rsu5.org. The survey will be open to all stakeholders from November 10th through November 25th.

Thank you,
Becky Foley
Superintendent of Schools
